Adult Education

FREE English as a Second Language (ESL), Citizenship (CITZ), High School Education Classes (GED), and Introduction to Career Classes

English as a Second Language (ESL)

MSJC provides ESL students with free English classes. Our classes help you develop listening, speaking, reading, and writing skills that pertain to life and work in the United States.

General Education Development (GED)

Our GED classes prepare you to take the GED or HiSET exam that, when passed, offers a high school equivalence certificate.

Citizenship (CITZ)

Citizenship classes prepare immigrants for the naturalization process and the United States Citizenship and Immigration Services interview. You'll learn U.S. government and history, and practice reading and speaking skills necessary to pass the test.

Introduction to Career Classes

Introduction to Career Classes are non-credit classes that help prepare you as a continuing student in the certificate or degree programs that Mt. San Jacinto College offers.

Non-Credit Counseling Services

All Adult Education classes include academic and career counseling. If you're interested in continuing your education, or taking career training courses, you will have access to counseling services during scheduled classes throughout your semester. We want to better prepare you to meet your personal goals.

ABE / GED Classes

Students will learn writing, reading comprehension, science, social studies, arithmetic, pre-algebra, algebra, and geometry skills required to pass the GED or HiSET test.

Most classes are multi-level and multi-subject. ABE courses are pre-GED courses which focus on skill building in mathematics, reading, and writing. GED courses are multi-subject and cover the full battery of subjects needed to pass the GED/HiSET test. GED Focus in math and English courses specifically focus on these subject areas for students needing in-depth instruction within these subject areas.

Students who are currently taking or have finished our GED / HiSET classes can take the actual test at home on their computer or in-person at an accredited testing center.

GED/HiSET Test Vouchers Available!

Vouchers are available to support students with cost of testing based on student need, readiness, and progress per instructors' recommendation.
